Memorandum No.21299-P&D.II/53-2 dated 17-3-53.

Sub: Soil Conservation - Bellary and Anantapur districts - Extension scheme - Direction to Board of Revenue under section 3 of Act XXII of 1949.

Ref: From the Jt. D.A.No.T.T.3.2970/51, d/20-2-1953.
From the Board of Revenue, Ref.Y.1764/53-1, dated 6-3-1953.

In connection with the original scheme of soil conservation sanctioned for the three centres at Hagari, Alur and Guntakal, in G.O. Ms.No.3894, Development, dated 30-9-1950 the Board of Revenue was directed under section 3 of the Madras Land Improvement Schemes (Contour Bunding and Contour Trenching) Act, 1949, to prepare a soil conservation scheme in the Bellary and Anantapur districts. Since the direction covers the entire districts of Bellary and Anantapur no fresh direction in respect of an extension scheme within these districts need be issued now.

The Board may therefore proceed to issue notifications under section 4 (1) etc. The attention of the Board is in this connection invited to the revised draft notifications forwarded with Government Memorandum No.124871-P&D.II/52-4, dated 24-12-1952 in respect of the Nilgirs District Soil Conservation Scheme. The Board should see that the name or nature of the scheme and the area to which it applies are specified in the notification to be issued .

NOTE FILE

Sub: Agriculture- Soil Conservation- Bellary and Anantapur districts- Extension scheme for Hagari, Alur and Guntakal centres. Direction to the Board under Section 3 of the Madras Land Improvement Schemes (Contour Bunding and Contour Trenching) Act, 1949.

Ref: From the Jt. D.A.No.TT.2970/51, dated 20-2-1953.

The copy of the letter of the Jt. D.A. addressed to the Board of Revenue on p. 1 c.f. may be perused.

A scheme of soil conservation in respect of an extent of about 4800 acres at Hagari, Alur and Guntakal in the Bellary-Anantapur districts already sanctioned under the provisions of th Madras Land Improvement Schemes (Contour Bunding and Contour Trenching) Act, 1949 has been executed. Proposals for extension of the conservation measures to an extent of 6650 acres in these 3 centres were approved in January this year. In respect of this extension scheme, the Jt. D.A. has now requested Government to issue a direction under section 3 of the Act, ie., calling upon the Board to prepare a draft scheme for the area.

It is submitted that in connection with the original scheme a direction has already been issued in G.O.Ms.No.3894, Dev., dated 30-9-1950 to the Board of Revenue to prepare detailed plans and estimates for a scheme of soil conservation in the Bellary and Anantapur districts. The extension scheme under reference relates to the 3 centeres comprised in the original scheme in these two districts. It is not therefore clear whether a fresh direction to the Board of Revenue in respect of the extension scheme is necessary. Legal may advise.

4.3.53

As in the direction issued under section 3 of the Madras Act XXII of 1949 in G.O.Ms.No.3894, Dev., dated 30-9-1950 covers the entire districts of Bellary and Anantapur fresh direction under that section will not be necessary for an extension of the Conservation scheme in the three centres of

the Bellary-Anantapur districts. It is presumed that the instructions of the Board under Section 4 (1) comprised only the area for which schemes were already prepared. The Board can issue further instructions for other areas within the area in regard to which Government have already issued directions under section 3. See section 13 of the Madras General Clauses Act, 1891.
